RESOLUTION 2019-4

A RESOLUTION CANVASSING AND CERTIFYING THE RESULTS OF THE LANDOWNERS ELECTION OF SUPERVISORS HELD PURSUANT TO CHAPTER 2004-469

WHEREAS, pursuant to Section 5 of Chapter 2004-469, Laws of Florida, a landowners meeting is required to be held every four years following the creation of a Special District for the purpose of electing three Supervisors to the Board of Supervisors of the District; and

WHEREAS, following proper publication of notice thereof, such landowners meeting was held June 17, 2019, at which the below recited persons were duly elected by virtue of the votes cast in his favor; and

WHEREAS, this resolution canvasses the votes, and declares and certifies the results of said election;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE CORAL SPRINGS IMPROVEMENT DISTRICT;

1. The following persons are found, certified, and declared to have been duly elected as a Supervisor of and for the District, having been elected by the votes cast in his favor as shown, to wit:

_____	_____ Votes
_____	_____ Votes
_____	_____ Votes

2. In accordance with said statute, and by virtue of the number of votes cast for each Supervisor, and is declared to have been elected for the following terms of office:

_____	four (4) year term
_____	four (4) year term
_____	four (4) year term

3. Said term of office shall commence immediately upon the adoption of this Resolution.

PASSED AND ADOPTED THIS 17TH DAY OF JUNE, 2019.

President

Kenneth Cassel, Assistant Secretary

2C.

RESOLUTION 2019-5

**A RESOLUTION DESIGNATING OFFICERS OF
CORAL SPRINGS IMPROVEMENT DISTRICT**

WHEREAS, the Board of Supervisors of Coral Springs Improvement District at a regular business meeting, following the Landowners' Election, held on Monday, June 17, 2019 desires to appoint the below recited persons to the offices specified.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD
OF SUPERVISORS OF CORAL SPRINGS IMPROVEMENT
DISTRICT:**

1. The following persons were appointed to the offices shown, to wit:

	President
	Vice President
	Secretary
Stephen Bloom	Treasurer
Alan Baldwin	Assistant Treasurer
Kenneth Cassel	Assistant Treasurer
Kenneth Cassel	Assistant Secretary
Dan Daly	Assistant Secretary

PASSED AND ADOPTED THIS, 17TH DAY OF JUNE, 2019.

President

Kenneth Cassel
Assistant Secretary

Third Order of Business

**MINUTES OF MEETING
CORAL SPRINGS
IMPROVEMENT DISTRICT**

The regular meeting of the Coral Springs Improvement District was held Monday, May 20, 2019 at 4:00 p.m. at the District Office, located at 10300 NW 11th Manor, Coral Springs, Florida.

Present and constituting a quorum were:

Martin Shank	President
Duane Holland	Vice President

Also present were:

Kenneth Cassel	District Manager
Terry Lewis	District Counsel
Dan Daly	Director of Operations
David McIntosh	Director of Utilities
Jan Zilmer	Human Resources
Marta Rubio	District Accountant
Rick Olson	District Engineer
Curt Dwiggin	Field Department
Ken Miller	Wastewater Department
Joe Stephens	Water Department
Shawn Frankenhauser	Stormwater Department
Pedro Vasquez	Maintenance Department
Dave Shulman	Globaltech
Raquelle Holland	Resident

The following is a summary of the discussions and actions taken at the May 20, 2019 CSID Board of Supervisors Meeting.

FIRST ORDER OF BUSINESS

Roll Call

Mr. Cassel called the meeting to order and called the roll. A quorum was established.

SECOND ORDER OF BUSINESS

Approval of the Minutes of the April 15, 2019 Meeting

Each Board member received a copy of the Minutes of the April 15, 2019 Meeting, and Dr. Shank requested any additions, corrections or deletions.

There being none,

On MOTION by Mr. Holland, seconded by Dr. Shank, with all in favor, the Minutes of the April 15, 2019 Meeting were approved.

THIRD ORDER OF BUSINESS

Audience Comments

There being none, the next item followed.

FOURTH ORDER OF BUSINESS

Approval of Financial Statements for April 2019

The Board reviewed the Financial Statements for April 2019.

On MOTION by Mr. Holland, seconded by Dr. Shank, with all in favor, the Financial Statements for April 2019 were approved.

FIFTH ORDER OF BUSINESS

Consideration Engagement Letter with Keefe McCullough for Fiscal Years 2019 and 2020 Financial Audits

Ms. Rubio noted there is an increase of \$250 per year.

On MOTION by Mr. Mr. Holland, seconded by Dr. Shank, with all in favor, the engagement letter with Keefe McCullough for Fiscal Years 2019 and 2020, was approved.

SIXTH ORDER OF BUSINESS

Distribution of the Proposed General Fund Budget for Fiscal Year 2020 and Consideration of Resolution 2019-3, Approving the Tentative Budget and Setting a Public Hearing

The Board reviewed the proposed budget and the following was discussed:

- Dr. Shank asked about the proposed figure for the pump stations.
- Mr. Frankenhauser responded it is an estimate based on what needs to be done with the pump stations.
- Mr. McIntosh stated this figure is substantially lower than the original figures in the report by Globaltech.
- Dr. Shank requested Mr. McIntosh find out how much SWCD spent on their new pump station building.
- Mr. Cassel noted that it entails retrofitting a building on top of a drainage structure. The part underneath the existing foundation was designed to carry

the existing load. Changing the load can adversely impact the underlying structure.

On MOTION by Mr. Holland, seconded by Dr. Shank, with all in favor, Resolution 2019-3, approving the tentative General Fund budget for Fiscal Year 2020, was adopted.

SEVENTH ORDER OF BUSINESS

Consideration of Encroachment Agreement for Pre-Existing Non-Conforming Fence – 1901 NW 83rd Drive

Mr. Cassel reported the following:

- An encroachment agreement has been prepared, which covers the District for any part of the fence encroaching onto District property.
- A letter will be sent to the neighbors with existing fences notifying their fences are non-conforming with the District’s right-of-way and they need to engage in an encroachment agreement with the District or remove it from the District’s property.

On MOTION by Mr. Holland, seconded by Dr. Shank, with all in favor, the encroachment agreement for 1901 NW 83rd Drive, was approved.

- Mr. Frankenhauser will have his staff report any properties with fences encroaching on District property so notification letters can be sent.

EIGHTH ORDER OF BUSINESS

Consideration of Contract Renewal with Air America for Maintenance of Air Conditioning Systems

Mr. McIntosh reviewed the contract renewal with Air America, which will renew automatically unless terminated by either party.

On MOTION by Mr. Holland, seconded by Dr. Shank, with all in favor, the contract renewal with Air America was approved.

NINTH ORDER OF BUSINESS

Consideration of Proposal from Trio Development Corp. for the Repair of Lift Station #14, Piggybacking Off of the Broward County Contract

Mr. Dwiggins stated this is the same contract the District piggybacked off of to repair Lift Stations #2 and #5. This item has been budgeted for.

On MOTION by Mr. Holland, seconded by Dr. Shank, with all in favor, the repair of Lift Station #14 by Trio Development Corporation at a total cost of \$121,966.09, was approved.

TENTH ORDER OF BUSINESS

Staff Reports

A. Manager – Ken Cassel

Mr. Cassel reported the following:

- He previously sent an email regarding the meeting between Mr. Allen Levine, Esq. and the City of Coral Springs. It is a mandatory meeting before going to court. At that date it will be determined whether both parties will go to court or mediation.
- Any landowner proxies that have already been collected can be provided to Ms. Demarco for her to certify prior to the Landowner’s Election.

B. Engineer – Rick Olson

Mr. Olson reviewed his monthly status report, a copy of which is attached hereto and made part of the public record.

- Site 12 Canal Bank Restoration – a letter will be sent to the homeowner requesting they provide a signed contract for them to replace the fence or the District will install a chain link fence as a replacement.
- Dr. Shank requested Globaltech order parts and equipment needed for approved work authorizations when they submit for a permit.
- Dr. Shank asked how Globaltech will handle the resetting of the rebar. Mr. Shulman provided an explanation. Discussion ensued regarding errors made with the Plant D project.

C. Department Reports

- **Operations – Dan Daly**
 - **Utility Billing Work Orders**

This item is for information only.

- **Utilities Update (David McIntosh)**

Mr. McIntosh provided an update on the last project with FEMA.

- **Water – Joe Stephens (Report Included)**

A copy of the report was included in the agenda package and is attached hereto as part of the public record. Well #5 was completed on May 17, 2019.

- **Wastewater – Ken Miller (Report Included)**

A copy of the report was included in the agenda package and is attached hereto as part of the public record.

- **Stormwater – Shawn Frankenhauser (Report Included)**

A copy of the report was included in the agenda package and is attached hereto as part of the public record. Water levels continue to go down.

- **Field – Curt Diggins (Report Included)**

A copy of the report was included in the agenda package and is attached hereto as part of the public record. There have only been two water breaks in May to date.

- **Maintenance Report – Pedro Vasquez (Report Included)**

A copy of the report was included in the agenda package and is attached hereto as part of the public record.

- **Human Resources – Jan Zilmer**

Mr. Zilmer reported he started working with Phil on the census for upcoming insurance renewal.

- **Motion to Accept Department Reports**

On MOTION by Mr. Holland, seconded by Dr. Shank, with all in favor, the Department Reports were accepted.

D. Attorney

Mr. Lewis reported there is a change in the audit law regarding how long an auditor can be kept under contract without going through the audit selection process. The audit committee must consists of three people; however, only one Board member can be part of the committee and District employees cannot. He does not believe it applies to the engagement letter approved today because it has not been signed into law yet.

ELEVENTH ORDER OF BUSINESS

Supervisors' Requests

Mr. Holland stated the Open House was outstanding and he complemented everyone who worked on it. He suggested doing a taping of each department's area and run it. Then they can answer any questions.

TWELFTH ORDER OF BUSINESS

Adjournment

There being no further business,

On MOTION by Mr. Holland, seconded by Dr. Shank, with all in favor, the meeting was adjourned.

From: Curt Dwiggin

Re: Lift Station 14 Project

Change Order 1

At the board meeting on May 20th the Board was requested to approve the above project with Trio Development. The project was approved by the board in the amount of \$121, 966.09. This project is being conducted under a piggy back of Broward County contract Y2114640B1.

On further inspection of the work site by Trio Development it was determined that it may be necessary to conduct additional repairs in the amount of to rehabilitate the lift station. The additional work consists of replacing the valve box, two top slabs and whole hatch covers as well as additional pumping time for this work to be completed.

The additional work and contingency would increase the contract by \$29, 950.00 this will result in a total contract price of \$151, 916.09

I respectfully request that the Board approve this Change Order to the contract for this additional work to be carried out.

Thank you for your consideration,

Curtis J.L. Dwiggin
Field Manager

Project: CSID LS 14 - Replace Valve Box & Two Top Slabs with Hatch Covers
Date: 6/5/2019
Bid No.: Y2114640B1 02-06-18 thru 02-05-19
Sewer Lift Station Rehabilitation and Repair
Using Agency: Water and Wastewater Services
Purchasing Agent: Nancy Oleson

Project Number: 1905

Contractor:
 Trio Development Corp.
 1701 N.W. 22nd. Ct.
 Pompano Beach Fl. 33069

Revised Project Estimate					
Item No.	Commodity Code(s) 91356 Description	Quantity	Unit of Measure	Unit Price	Total Price
GROUP 3 - SITE WORK					
03-02	F & I Temporary By-pass Pumps and Piping (50,001 gpd to 250,000 gpd)	11	DAYS	\$ 225.00	\$ 2,475.00
03-06	Operate and Maintain Temporary By-pass System (50,001 gpd to 250,000 gpd)	11	DAYS	\$ 225.00	\$ 2,475.00
GROUP 3 Subtotal					\$ 4,950.00

RE: Bid #2017-14
 Price Revisions

Joe,

Per your request, Hawkins would like to offer the following unit price revisions on the above referenced bid. The price adjustments are based on current market pricing and modifications from our suppliers, they would become effective on 6/17/2019. If CSID agrees with the following price revisions, the contract would continue under the same terms & conditions. Also, Hawkins could extend the pricing for an additional year if market conditions remain even. Or if possible lower prices in market conditions allow to extend contract we would adjust down as well.

The following is the proposed pricing of the chemicals related to this contract:

- | | |
|--------------------------------|--------------|
| 1. Clear Flow OT 3535 | \$ 6.50/gal |
| 2. Hydrofluorosilicic Acid 23% | \$ 2.75/gal |
| 3. Sulfuric Acid 93% bulk | \$ 1.95/gal |
| 4. AWC C-226 (45# pail) | \$ 4.99/lb |
| 5. Citric Acid (50# bag) | \$ 1.15/lb |
| 6. AS4000 | \$ 1.85/gal |
| 7. Sodium Hydroxide 50% | \$ 2.70/gal |
| 8. AWC A-109 Plus | \$ 15.25/gal |
| 9. AWC C-234 (530# drum) | \$ 19.99/gal |

Hawkins has price support on the AWC products until 6/16/2020, if CSID agrees we would like the renew the agreement by 6/17/2019.

We look forward to continued service to Coral Springs Improvement District; if you need any additional information please do not hesitate to contact us.

Please let us know your decision.

Yours truly,

 Raymond Pool
 SE Region Manager

Globaltech, Inc.
CSID Engineer's Report
June 17, 2019

PROJECTS UNDER CONTRACT

WA #131- HSP 7 Modifications – Project Complete

- Approved by Board – 1/22/18
- Pump installed 5/31/19
- Assessing engine control and speed settings.
- Project Complete.

WA #133 - Facility Arc-Flash Study – In Progress

- Revised Draft Report submitted 10/30 – under review.
- Conditional Assessment submitted 11/16 – under review.
- Vulnerability Assessment delivered 11/28.
- Delivered Final Report 5/08/19
- Globaltech to prepare an amendment to Final Report addressing 4 off site wells
- Completion date – 7/31/19

WA#137 – High Service Pump 1 & 2 Improvement – in Progress

- Approved by Board – 3/21/19
- Preparing submittals for valves
- HSP 1 removed 5/31 and picked up by Hudson Pump on 6/07/19.
- Completion date – 3/01/20

WA #139 – Generator Diesel Fuel Line Replacement – In Progress

- Approved by Board – 4/26/18
- Permit application submitted week of 2/09/19.
- Permit issued 5/08/19
- Project ready to commence – waiting on Cypress construction to mobilize.
- Completion Date 6/28/19

WA #140 – Dual Zone Monitor Well Construction – In Progress

- Approved by Board – 6/18/18
- YBI mobilized off site and turned the well over to Globaltech in early-December
- MW-4 completed 6/06/19.
- First sampling scheduled for 6/11/19
- YBI will return to abandon the monitoring tubes in mid-June (6/17/19).
- Completion date 6/28/19.

PROJECTS UNDER CONTRACT (Cont.)

WA #141 – Plant D Repair – In Progress

- Approved by Board – 4/26/18
- Demolition completed 8/15/18
- Mechanical equipment (rake arm, center column, center cage, and drive) delivered & installed.
- Floor pour 5/30/19
- Startup scheduled 7/12/19

WA #143 – Site 12 Canal Bank Restoration – Closeout

- Approved by Board 6/18/18
- Restoration work completed 11/02/18
- Home owner provided contract with independent fencing contractor. Payment will be made upon submission of permit application.
- Complete – July 2019

WA #149 – High Service Pump Building Isolation Valve Replacements – Complete

- Approved by Board 10/16/18
- Phase I (24-inch valves) completed – 4/10/19
- Phase II (16-inch valves) performed 5/14/19.
- Amendment to be submitted in July
- Project Complete

WA#151 – ORP Analyzer – On 11/26/18 Board – In Progress

- Approved by Board 11/26/18
- Equipment arrived.
- Installation began 3/30 – conduit installed
- Installation complete 5/31/19
- Startup scheduled 6/28/19

WA#152 – Deep Injection Well Operating Permits – Closeout

- Approved by Board 11/26/18
- Application was submitted January 25, 2019
- Received and responded to RAI from FDEP on 3/18/19.
- Final Operations Permit anticipated in June 2019

WA#153 – Structural Assessment of Pump Stations 1 & 2 – In Progress

- Approved by Board 12/17/18
- Conducted site visits on 2/14/19
- Draft Report delivered to CSID – 4/12/19
- Met with CSID staff in 5/07/19
- Preparing to meet with Board to discuss findings.

PROJECTES UNDER CONTRACT (Cont.)

WA#156 – Production Well 8 Redevelopment – In Progress

- Approved by Board 12/17/18
- Re-development began January 16, 2019
- Amendment to repair casing approved at February's Board.
- Wellhead repairs completed 4/12/19
- Drilling contractor to complete work by 5/24/19
- Owner provided pump did not mate properly with motor and was repaired by pump distributor.
- Driller will return to install modified pump and motor week of 6/17/19
- Well returned to service by 6/21/19

WA#158 – 4MG Ground Storage Tank Repair and Improvements – In Progress

- Approved by Board – 3/21/19
- Prepared submittals
- Interior work on tank completed 5/01/19 – tank returned to service 5/03/19
- Exterior work and safety railings currently being installed
- Completion date – 6/30/19

WA#160 – Monitor Well 3 Pump Replacement – In Progress

- Approved by Board 2/25/19
- Pump delivered waiting for installation
- Installation scheduled for mid-June 2019
- Completion date – 6/28/19

Work Authorizations Under Development

WA#159 – High Service Pump 7 Low Pressure Auto-start – on 6/17/19 Board
WA#160 – High Service Pump Building Drainage Improvements
WA#161 – Production Well 3 VFD and Electrical Improvements
WA#149 Amendment 1 – HSP Building Valve Replacement – Amendment 1

June Report to the Board of Supervisors for the Water Plant

Report Includes Updates through 6/6/2019

2019 Southeast Desalting Association membrane plant of the year award

Congratulations to all of the staff at CSID for earning the prestigious 2019 SEDA membrane plant of the year award! There are 900+ SEDA members currently covering all of the eastern United States. Of those 900 members there are close 100 membrane plants represented which participate in this organization. This award was not won by one or by one department but by everyone from the Board of Supervisors, to Directors, Managers, operators, maintenance, billing/customer service, accounting, etc. We were selected because of the hard work and dedication that we put into keeping up with the industry and cutting edge technology and continuing to produce high grade drinking water while always maintaining compliance. Well deserved!

Bulk chemical bid renewal with Hawkins

In August of 2017 we went out to Bid for most of our bulk chemicals under one contract in the water plant. The low bidder was Hawkins and they were awarded the contract by the Board of Supervisor's at the August 2017 meeting. The contract term was for two years with two optional one year renewals based on agreed upon pricing. We have negotiated what we feel is a reasonable pricing adjustment as some costs went up and some went down for an overall very slight annual increase. If approved these prices will be offered to us for two years expiring on June 17th 2021.

High service pump 7 replacement (WA 131)

Globaltech and the pump supplier installed the new pump on 5/31. Initial observations were that it was performing much much better than the old pump but was struggling a bit when trying to exercise it against normal system pressure (65 psi). After investigating the motor shafts rpms were lower than anticipated and a simple adjustment on the motor was made and now the pump/motor combo is performing as desired.

RO train feed motor repairs (WA 161)

Condo Electric performed the bearing and insulation repairs to one of our two feed motors and will be coming out to install it on 6/11. They will remove the motor from train #2, install this one, and send the motor from train 2 back to the shop to perform the same repairs. That motor will then serve as a spare.

Well 8 rehabilitation

Globaltech has completed the installation of the concrete collar around the piping above the slab which reestablished the required sanitary seal. Centerline has completed the rehabilitation and was able to achieve 20 gpm/ft of drawdown (specific capacity) from this well. It was yielding 12gpm/ft when they started. This is a significant improvement and according to Globaltech and the Hydrogeologist the well will produce 750 gpm without issue like our others. The pump and motor will be installed the week of 6/10 and at that point the well will be placed back online.

Underground valve replacement (WA 149)

We had to divide this project into two phases in order to avoid having to issue a precautionary boil water notice which would have been necessary according to DEP if we would have completed it all at once. Phase 1 was completed and returned back to service on 4/12. Phase two was completed on 5/20. Staff has already re-sodded the area and updated our GIS data accordingly.

Our 2018 Consumer Confidence Report

Our 2018 CCR is complete and is in the process of being printed by our publisher. Once received they will be mailed out to every customer as required by rule. The deadline for this is July 1st so we are still well ahead of schedule.

Four million gallon tank repairs (WA 158)

Crom has finished all of the interior work on the tank and it has been filled and placed back in service. They are now working on installing the safety railing and anchor points on the top of all three tanks. This should be completed by the end of June and this project will be closed out.

Well 5 failure

AMPS was finally able to complete a static and dynamic video on this well. The preliminary report is that the well is producing sand and will most likely need airlifting/jetting. Once we have the final report from the hydrogeologist we will go through it with them and select a path forward.

Projects with Globaltech

- High service pump #7 flushing line- WA 131 approved **January 18**. Letter of understanding for the shift in direction approved in **March 18**. Almost complete
- High service pump #7 auto start at low pressure- WA 159 to be presented in July
- Replacement of high service pumps 1&2's impellers- WA approved in March. Underway
- Underground diesel tank transfer lines upgrade- WA 139 approved in **April 18**. Underway
- Underground valve replacement on North side of high service pump building- WA 149 approved at the October meeting. Completed
- ORP probe installation- WA 152 approved in November. Underway
- Feed motor bearing replacement – WA 161 approved in April. Underway
- 4 million gallon storage tank repairs- WA 158 approved in March. Underway
- Well 8 rehabilitation- WA 156 approved in December. Amendment approved in February. Underway
- Relocation of post treatment injection points- Avoided
- Mitigation of draining issues near HSP building- WA to be presented in July
- Replacement of well 3's electrical panel including a VFD- WA to be presented in July

Water Loss

The graph below compares the water loss % in 2018 vs 2019. So far this year we are at an average of 13.9% loss and the goal is to be below 10% by the end of December. At the end of May last year we were at an average of 16.34% so we are still on track to be in much better shape than last year.

Wastewater Plant Operations

Monthly Influent average Flow for May was 3.62 MGD.
Monthly Concentrate average flow was 0.75MGD.

Corrective and preventive maintenance in all plants.

Working on Budget

Ongoing Projects

- 1) The floor on D Plant was poured 5/30/2019. They are still working on repairing and replacing the diffusers.**
- 2) The tie in of new MW #4 to the discharge lines to the chlorine contact chamber was completed 5/30/2019. Old MW #1's discharge lines to CCC were disconnected and isolated and are awaiting to be abandoned.**

Coral Springs Improvement District

Drainage Report June 17, 2019

Board of Supervisors Meeting

- Current canal levels averages are 5.43 NGVD 29 in the east basin and 6.06 NGVD 29 in the west basin as of this report. Total rainfall recorded for May was 2.34 inches.
Rainfall recorded for June is .20 inches at the time of this report
Rainfall recorded to date for the year is 14.88 inches at the time of this report
- Field spray activities are on-going as scheduled, no out of the ordinary issues to report. Lake Coral Springs was sprayed for filamentous algae and eelgrass on June 4.
Crews are removing saplings and small trees from the edge of canal banks and right of ways when adverse weather prevents spray applications.
- Mowing of assigned areas is on schedule, pictures are captured during each activity
- Identifying all fence/structure encroachments to verify if District agreements are in place is ongoing.

Water Distribution and Wastewater Collection

Department Report

6-17-19 board Meeting

Prepared by: Curtis Dwiggin

- There were 8 reported service breaks in the month of May.
- Trio Development Corp has completed lift station 5 and is back on line.
- As a part of the Agenda Package, Please consider approving the proposal from Trio Development Corporation for additional work for the rehab of lift Station 14. This additional work was noted being necessary after further inspection of the site
- Garber has taken delivery of the GMC Sierra 2500 ¾ ton truck. there is about 30 days for the fitment of the utility body
- LMK Pie Renewal has 4 more lateral connections to finish lift station 2 Basin rehab (at the time of this Report) I will give an update on this at the meeting

Maintenance Department Report (Pedro V.)

Water Department:

- Well #3 flow meter replacement. New mechanical and electrical connections are being replaced.
- Process room pumping gallery system the two check valves will be replaced. The material has already been purchased.
- Work is being done on the irrigation system, north side of the HSP Room.
- External personnel are being assisted to place the arc flash labels in all MCC's.
- PM in different equipment.

Wastewater Department:

- MP in different equipment.
- Mechanical problems were corrected in blower # 3 and the blower/motor was align with the new maintenance workshop electronic tool.
- Electrical problems with the blower #2 was corrected. The breaker trip settings were adjusted and we left the equipment running.
- Electrical and mechanical works were performed in the contact chamber to install an electronic measurement equipment.
- Works in the field painting, etc.

Field Department:

- Waste water pumping systems were assisted for an electronic equipment installation.

Drainage Department:

- N/A.
