

Terms and Conditions to Participate

- Application must be **completed, submitted and approved** before the applicant may purchase the toilet for which they wish to seek a rebate.
- All applicants must be replacing a toilet that currently uses **more than** 1.6 gallons per flush (gpf) with a U.S. EPA WaterSense® High-Efficiency Toilet (HET) that uses 1.28 gpf or less. WaterSense® dual flush toilets must also use 1.28 gpf or less **for both flush options**.
- Up to two \$99 toilet rebates will be allowed per qualifying household, or the cost of each toilet, whichever is less. Taxes, and cost of toilet seat (if purchased separately), do not qualify toward rebate amount.
- Single-family, townhouse and condo applicants must own and reside in the residence within the program area where the toilet(s) will be installed. This program does not apply to renters.
- Single-family, townhouse and condo applicants must be a water account holder that receives water directly from the Coral Springs Improvement District. However, condominium owners may contact their Condominium Association or their management company to obtain that account holder information.
- Commercial, institutional and multi-family applicants must either own the property or must be authorized by property owners to participate and the property must be located within the program area where the toilet(s) will be installed.
- Commercial, institutional and multi-family applicants must be a water account holder, or be authorized by a property owner, that receives water directly from one of the participating Partner utilities.
- Applicant is solely responsible for the purchase and installation of the toilet(s) and all related parts, permits and equipment.
- Applicant is solely responsible for the proper disposal of the toilet(s) that is/are being replaced and agrees that they will not reuse, sell, donate or give it away.
- Toilets may be subject to inspection, and applicant may be contacted by the a CSID Rebate Administrator (or his/her Designee) to schedule an on-site installation verification inspection, and if contacted, you agree to consent to a post-installation inspection.
- Applications will be processed on a first-come, first-served basis, and are subject to the availability of funds, or until the program is terminated.
- The rebate will appear as a credit on the utility account holder's monthly invoice. Checks will not be sent.
- When submitting your receipts and other required documentation, the applicant's name must appear on the receipt and must be the same name of the person who applied, and was approved, for the rebate. Failure to provide rebate receipts and documentation that have the same name as the pre-approved applicant will result in the rebate being denied. If the applicant's name is not printed on the sales receipt please handle as follows:
- For applicants planning to purchase toilets purchased at the Home Depot – Toilets Must BE purchased at the Special Services desk (not in the standard check-out line) where applicants are required to obtain a Special Services Customer Invoice – which should include the applicant's name and address.

- For toilets purchased at other stores or through contractors/vendors you must request a handwritten receipt from the store/vendor to be provided to you on their letterhead with a signature and printed name of an employee of the store/vendor.

Applicants must submit their reimbursement documentation to the Rebate Administrator **no later than 45 days** after the applicant has received notification that their application was approved. **Applications will be cancelled once the 45-day period has expired and a rebate credit will not be issued.**

Rebates may be subject to income tax. Consult your tax advisor for more information.

Toilets receiving rebates are prohibited from re-sale.

This program is subject to modification, suspension or termination without prior notice.

Complete documentation of toilet pre-approval, purchase and installation in accordance with Program Terms and Conditions will be required in order to be eligible for a rebate.

Toilet Rebate Disclaimer: Coral Springs Improvement District (the District) reserve the right to reject any application that does not meet **all** of the requirements of this rebate program. The Coral Springs Improvement District does not guarantee that the installation, operation and maintenance of water-efficient equipment will result in reduced water usage or in cost savings. The District makes no warranties, expressed or implied, with respect to any equipment purchased or installed, including but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall the District be held liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.

Limitation of Liability/Release: Applicant understands and agrees that, to the extent not prohibited by law, in no event shall the District, its officials, officers, employees or agents be liable for any claimed or actual damages or losses of any kind, however caused and regardless of the theory of liability, related in any way to this rebate program, even if the District has been advised of the possibility of such damages or losses. To the extent not prohibited by law, applicant assumes all risks associated with this program, including without limitation, all risks associated with purchase, installation and maintenance of a High-Efficiency Toilet (HET) subject to this program (including, without limitation, the risk of not realizing water usage savings or cost savings as a result of converting to a HET), and the removal and disposal of the toilet that you replaced, associated parts, building materials, labor and equipment in connection therewith. Applicant releases and holds harmless the Coral Springs Improvement District, its officials, officers, employees and agents from any and all claims for damage, death or injury to any persons or property arising in any way from this rebate program, including the installation and maintenance of an HET, associated parts, building materials, labor and equipment subject to this program (including without limitation the use, operation and maintenance thereof), or the removal or disposal of the toilet that you replaced, associated parts, building materials, labor and equipment in connection therewith, other than those caused solely by the willful or grossly negligent acts or omission of the District.
