Notice is hereby given that the Coral Springs Improvement District is offering citizens the opportunity to make comments on the proposed grant application for Rebuild Florida Critical Facility Funding Program competitive solicitation issued by the Florida Department of Economic Opportunity (DEO) with funding provided by the U.S. Department of Housing and Urban Development (HUD) Community Development Block (CDBG) to address unmet infrastructure needs related to protection of critical facilities. The project will consist of mitigation activities at the Coral Springs Improvement District Water Treatment Plant at 10300 NW 11th Manor, Coral Springs, FL 33071. These hardening activities include the protection of the water treatment system at the facility. The District is requesting $2,900,993. The program does not require matching funds from the District.

The comment period begins on Friday, June 5, 2020 and ends on Saturday June 20, 2020. All comments must be submitted to davidm@csidfl.org and must be received no later than close of business on June 20, 2020 to be included with the application package submitted to the State of Florida.
